PROFESSIONAL PROFILE

Information Technology student at Erskine College, graduating in 2027, building toward full-time, in-person work in networking, AI automation, technical sales, or IT operations. Willing to relocate. Combines technical breadth, hands-on operations, clear communication, customer acquisition, and ownership.

CORE CAPABILITIES

Networking & IT: Networking fundamentals, hardware, troubleshooting, cybersecurity foundations, technical documentation

Automation & Development: Python, JavaScript, SQL, HTML/CSS, React, TypeScript, Git/GitHub, APIs, SQLite, testing, AI workflow design

Sales & Operations: Customer acquisition, lead generation, relationship building, customer service, logistics, process improvement

SELECTED TECHNICAL WORK

- **LinkedIn Professional Presence System:** Built a local Python and SQLite workflow with human approval, claim/privacy gates, audit logs, scheduling, mock-only publishing, and 21 passing automated tests.
- **Budget Desktop Build:** Researched and documented a compatible \$473.87 component plan against a \$475 budget for basic web use and video calling.
- **Web platforms:** Building this Next.js/TypeScript portfolio and a client website with responsive layouts, accessibility, contact delivery, testing, and deployment.

SELECTED EXPERIENCE

Sales Associate | Lowe's *June 2026 - Present*

- Operate a forklift and powered equipment to move, stage, and retrieve inventory while supporting safe store operations.
- Help customers identify products, compare practical options, and resolve needs through responsive, hands-on service.

Sales Representative | ModWash *Spartanburg, SC*

- Set the company record with more than 200 memberships sold in one month.
- Ranked third nationally during a peak performance month through clear communication and consistent execution.

Yard Manager & Data Analyst | Martins Feed Inc. *Lynden, WA*

- Coordinated fast-moving yard and logistics work while applying data analysis to trucking, workflow, and operating decisions.

AI Training Contractor | Confidential Company *NDA*

- Trained and evaluated AI systems with emphasis on accuracy, consistency, quality control, and careful review.

Lead Setter | Top Tier Solar *Direct Sales*

- Conducted high-volume residential outreach and qualified prospects through direct, persistent customer communication.

LEADERSHIP, COMMUNICATION & ENTREPRENEURSHIP

- **President, Erskine College IT Club:** Led planning, communication, and peer technical growth.
- **Mathematics Supplemental Instructor & Write Here Center Tutor:** Explained quantitative concepts and coached clear academic and professional writing.
- **Alumni Ambassador, Admissions Tour Guide & Debater:** Represented Erskine with prospective students, families, alumni, donors, and public audiences.
- **Additional leadership:** Assistant Strength & Conditioning Coach; founder of Fast Landscaping and Top Dog Treats; online reseller with TraderBoss.

EDUCATION & CREDENTIALS

Erskine College | Information Technology *Expected 2027 | Due West, SC*

- **Academic distinction:** First student to complete Erskine's Honors Institute program; Dean's List recognition.
- **Credentials:** Cisco Introduction to Cybersecurity verified badge; AWS Introduction to Generative AI - Art of the Possible course completion (Apr. 21, 2026); forklift certified; CSCS preparation in progress (not certified).
